## On the Subject of Passing Number Pad

If your numped has 3 yellow bricks, not 3 green or 2 white in the mix, 5's not white or blue, latter's less than two, your code must be 4326.

Note: For use by those familiar with the original manual. Contact Nanthelas on Discord with any corrections.

	Path 1	Path 2	Path 3	Path 4
